Dear Parents,

I hope that this message finds you well.

Considering the rising cost of operating and maintaining the school, the board of management has decided to increase our fees in order to continue facilitating optimum educational service delivery to our students. Our new fee is now \$35,000 per term for all students.

All parents are asked to make payment on time, payments can be made at the school office or online deposit to the school account.

We will be thankful for your cooperation.

Sincerely,

Mrs. Michelle Stephenson

Principal.
